Coroner's Inquest Into Death of John P. Lynn Opens in Maxey Court Wednesday Afternoon.

### EYE WITNESS TELLS STORY

R. E. Burke Saw Man Covered With Blood as He Was Lying on Running Board of Car.

Coroner's inquest into the death of John P. Lynn of Mounds, who was found beside the road near Hickory early Sunday morning, was opened yesterday afternoon in Judge R. C. Maxey's court. After three witnesses had testified to having seen Lynn bleeding and half-conscious in company with four men near Dawson, the inquest was adjourned until 9:30 o'clock Thursday morning.

R. E. Burke, who was returning from a fishing party 11 miles east of Tulsa, said that a man covered with blood stopped his car just this side of Dawson at 11:30 o'clock and asked him to bring him back to Tulsa as he had been held up. The injured man then opened the door of the tonneau of the car and fell into it. Two men who were with him refused to accompany him and Burke forced him to leave the car. When the man with Lynn said he did not know who had held him up, Lynn replied that he should have known him as he had been riding in the car all day.

## Thousand Shots of Typhoid Serum Given at Free Clinic

More than 1,000 shots of typhoid serum have been given to citizens of Tulsa within the two weeks since the opening of the typhoid clinic in connection with the public health bureau being conducted by the county, city and federal government in the federal building. Besides the typhoid serum given at the clinic a number have been given at the Tulsa county board of health office.

Several extra physicians in carrying on the typhoid work have given their services to the clinic and are inoculating at the office of the United States marshal every night. The typhoid work is being kept entirely separate from the work

of the venereal clinic. Dr. T. J. Reader head of the clinic said in order to have the work of inoculation untimed. Tuesday afternoon and evening have been set aside as the regular time for the typhoid clinic, although serum is given to anyone who calls at the clinic any night.

The public many also receive typhoid serum vaccinations at office of the county health board free of charge at any time. As yet the work of the typhoid clinic has not progressed as far as that of the venereal clinic but from interest which has been shown in the two short weeks of its existence, Dr. Reader expects it to equal the other within short time.

A gun. They were brought to the jail in Tulsa where they could be turned over to the county.

Peaches \$2 a Bushel. Peaches cannot be obtained anywhere within the vicinity of Tulsa for \$1.25 a bushel. J. R. Malone, county farm demonstrator, said last night. Peaches may be obtained at the orchards in Tulsa county for \$1 and \$1.50 a bushel and possibly for less at a great distance from the city. Malone said, but as far as he or M. E. Peragen, secretary of the Tulsa Fruit Growers' association, has been able to learn, peaches cannot be bought at the low price reported in an afternoon paper.

Where Carl Fleming? Various persons have received letters during the last few days asking information concerning the whereabouts of Carl Fleming. The letters are from Mrs. Fleming who writes that it is impossible that he be located immediately.

The difference between reported and impudence, is the size of the man who says it.

## MAY FILE CHARGE OF MURDER AGAINST HIM

Ernest Taylor, Negro, Held in County Jail Pending Investigation of Another's Death.

Ernest Taylor, negro, arrested Tuesday night by City Policemen following the cremation of Ed Finn, negro, in a shack in West Tulsa, was transferred to the county jail Wednesday afternoon from the city jail. No charges have yet been filed against him and he is being held on investigation. It is thought, however, that murder charges will be preferred against him.

Taylor lived at the shack with Finn and the two negroes had been quarreling for some time. Residents of West Tulsa said. At 10:30 o'clock Tuesday night the shack was in flames and when it had been burned to the ground Finn's body was found with a chain around his neck. Taylor had disappeared but was arrested a short time later by a patrol in a coal pile near the Finns tracks.

## BOY SAYS OWN MOTHER DIDN'T KNOW HIS AGE

If your own mother doesn't know how old you are, who does?

Ray Pyle, a lad employed as a messenger by the Western Union, wanted to become a marine. He applied at the recruiting station, 212 1/2 South Main street yesterday afternoon. As the youth claimed to be but 17 years of age, it was necessary to procure his parents' consent. They live in Bristol, Okla.

Over the long distance telephone last night the mother declared that her son was only 14 years of age. "Aw, ma don't know what she's talking about," said young Pyle when acquainted with this fact. "I guess I ought to know how old I am—I'm 17."

But if not, the youth could not enlist without his mother's consent and was consequently rejected. He is coming back next year, however he says.

## ANOTHER EFFORT IS MADE FOR MUSKOGEE SETTLEMENT

Special to The World.

MUSKOGEE, Okla., Aug. 13.—The committee of public safety, organized by the business men of Muskogee for the purpose of protecting life and property in the city and breaking up the street car strike, which has been in effect for nearly three months, deferred action today when it became known that the traction company and the strikers were holding a conference with a view of bringing about a settlement. The conference will be continued tomorrow morning.

## REFUSE TO BUY, BEST WAY TO GET REDUCED PRICES

No definite plans for combating the high cost of living or for prosecuting profiteers were evolved at the meeting of Oklahoma's county attorneys at Oklahoma City on last Friday, A. Nicodemus, assistant county attorney, who represented Tulsa county at the meeting, said Tuesday. The entire meeting was occupied by discussions of the prices charged throughout the state. According to Nicodemus there is no existing state law under which any action could be taken to cut prices or to inflict penalties on producers and merchants who are selling goods at inflated prices. "The only way in which the high cost of living can be cut is by refusing to buy goods at exorbitant prices," Nicodemus said.

## FEDERAL CHARGES FILED AGAINST BOOZE HAULER

Federal charges of possession of intoxicating liquor were filed Tuesday against E. L. Evans, who was arrested three miles north of the city Tuesday night by City Police men Good and Four. Evans was arrested when the officers answered a call saying that thieves were stopping a car on the Main street road. When the policemen arrived on the scene two men ran from the car, one of them escaping. Eight cases of whisky were found in the automobile, which had broken down while on the way to Tulsa.

Pneumatic stage scenery in Europe is said to be more portable than the flat and to be easily transported.

## TULSA BOY BANDITS ARE TURNED OVER TO COUNTY

Roger Hecock, Charles Knight and Neo Wilcox, the three boys who were arrested at West Tulsa Tuesday night by the city marshal of Red Fork on a charge of highway robbery, were turned over to county authorities Wednesday pending the filing of information against them by the county attorney. The boys, who range in age from 13 to 15 years, are believed to be the holdup men who have been operating along the roads leading out of Tulsa for the last two months.

When arrested they had in their possession money and a gold watch taken from Vol Whitmore and Max Fife by three masked highwaymen on the road to Red Fork a few minutes before, and each was carrying a gun.

G. W. Harris and F. L. Hall, who were driving trucks from Bartlesville said that they ran across a car in a ditch near Dawson and that Lynn was lying on the running board of the car covered with blood and that they helped him into the car which drove toward Dawson. The men with him said that they had been held up and Lynn beaten.
